REMARKABLE CURE OF CONSUMPTION. Abraham Hunsicker, 2 miles from Shippackville, Pa., contracted a severe cold, which settled upon his Lungs, attended with violent coughing great difficulty of breathing, an abscess formed in his lungs, and made its way through the side, and discharged large quantities of pus externally. This mournful state of things continued for a long time, until making use of Dr. Swayne's Compound Syrup of Wild Cherry, which performed a perfect cure.
Have you the Ashma, Liver Complaint, or Bronchitis! If so give this medicine a trial. It

seldom fails to cure.
VERY IMPORTANT CAUTION. Be very careful to enquire for DR.
